Detailed Study Notes

Read these notes carefully — they're based on actual patterns found in your past papers.

1. Depository Participant (Demat account intermediary) — role & purpose

High Conf.

High Priority

Appeared in: Paper 1 · Paper 2 · Paper 4 · 3× total

Question types: MCQ: 2-3

Kya Padhna Hai:

- Exact definition: 'Depository Participant serves as an intermediary between the investor and the depository' (Paper 1 MCQ).
- Purpose: opening Demat/Beneficial Owner account to 'hold and transfer securities in Demat form' (Paper 2/ Paper 4 phrasing).
- Related paperwork: 'broker-client agreement and client registration form' prior to trading (Paper 4 evidence lines).
- Distinction vs depository company: DP is intermediary, not the depository itself (implicit in MCQ wording).

Kaise Poochha Jaata Hai:

- Mostly as 1-mark MCQ asking role/purpose (e.g. '_____ serves as an intermediary between the investor and the depository').

Repeat Pattern:

Har paper mein MCQ form mein aaye — consistent MCQ-level testing of DP and Demat purpose across years.

Key Terms:

Depository Participant

Demat account

Beneficial owner

2. Business environment characteristic — Dynamic nature (rapid technological change example)

High Conf.

High Priority

Appeared in: Paper 1 · Paper 2 · Paper 4 · 3× total

Question types: MCQ: 3-4 | Short: 1-2 | Case Study: 1 (application in cases)

Kya Padhna Hai:

- 'Dynamic nature' definition and cues: 'rapid technological improvements', 'changing consumer preferences', 'entry of new competitors' (Paper 1 wording).
- Differentiate from 'inter-relatedness' and 'complexity' (Paper 1 options).
- Examples: smartphone production needing frequent plan revisions (Paper 1), EV market incentives changing share (Paper 2).
- How firms respond: revise plans, improve quality, advertising — examples used in papers.

Kaise Poochha Jaata Hai:

- Usually MCQ: 'This reflects which characteristic of business environment?' or case-based short answer asking to identify characteristic.

Repeat Pattern:

Very consistent — 'dynamic' appears repeatedly in MCQs and case vignettes across papers.

Key Terms:

Dynamic

Technological change

Market competition

3. Consumer reliefs available from consumer court (replacement/refund/compensation)

High Conf.

High Priority

Appeared in: Paper 1 · Paper 2 · Paper 3 · 3× total

Question types: MCQ: 1 | Short: 2-3 | Case Study: 1-2 (Aditi, Ankush, Rishabh cases)

Kya Padhna Hai:

- Reliefs list that courts can grant: 'replacement of product', 'refund of price', 'compensation for loss', 'repair' (Aditi case phrasing: 'reliefs available to Aditi').
- Evidence requirements: invoice, records of communication (Paper 1 Aditi case showed proofs collected).
- Where to file: appropriate consumer forum depending on value (Paper 4 and Paper 3 items reference jurisdiction).
- Examples from papers: defective blender, microwave short-circuit, stolen/insurance dispute showing 'right to redressal'.

Kaise Poochha Jaata Hai:

3-mark short answer 'State any three reliefs' or case-based 4-mark 'Identify rights exercised' style questions.

Repeat Pattern:

Appears in multiple case vignettes (Paper 1 Aditi, Paper 2 Rishabh, Paper 3 Ankush) — high repeat.

Key Terms:

Replacement

Refund

Compensation

4. SEBI functions: protective vs promotional (which is not protective)

High Conf.

High Priority

Appeared in: Paper 1 · Paper 2 · Paper 4 · 3× total

Question types: MCQ: 2-3

Kya Padhna Hai:

- Typical SEBI protective functions: 'prohibit fraudulent/unfair trade practices', 'control insider trading' (Paper 1 options A and C).
- Distinguish non-protective/professional functions like 'conducting research and publishing information' (Paper 1 flagged this as non-protective).
- Regulatory actions: membership regulation of stock exchanges and code of conduct promotion (Paper 4 MCQ).
- Example phrasing to memorise: 'Prohibition of fraudulent and unfair trade practices like manipulations, price rigging'.

Kaise Poochha Jaata Hai:

MCQ/Assertion-Reason ask 'Which of the following is not a protective function of SEBI?' or list SEBI functions in short answers.

Repeat Pattern:

SEBI's role appears repeatedly in MCQs across papers — consistent format.

Key Terms:

SEBI

Insider trading

Fraudulent trade practices

5. Controlling process steps — measurement, comparison, deviation analysis, corrective action

High Conf.

High Priority

Appeared in: Paper 1 · Paper 2 · Paper 3 · Paper 4 · 4× total

Question types: MCQ: 3-4 | Short: 2-3 | Case Study: 2 (RAVL/Renew/Alpha examples)

Kya Padhna Hai:

- Four standard steps: 'Setting performance standards', 'Measurement of actual performance', 'Comparing actual performance with standards', 'Taking corrective action' (Paper 1/2 MCQs wording).
- Identify which step maps to managerial action in case-stems (e.g. arranging training = 'Taking corrective action' — Paper 1 RAVL).
- Examples of measurement: monthly production target vs actual (DF Telecom/DF Telecom Ltd. cases).
- Deviation analysis phrasing: 'analyse variance/compare with standards' — memorise cue words for MCQs.

Kaise Poochha Jaata Hai:

MCQ asking 'Which step was followed?' or short answer 'State steps the manager must take' in 3-mark questions.

Repeat Pattern:

Every paper uses production-target scenarios to test specific step — highly consistent.

Key Terms:

Measurement

Comparison

Corrective action

Deviation analysis

6. Benefits of training to organisation and employees (listed effects)

High Conf.

High Priority

Appeared in: Paper 1 · Paper 2 · Paper 3 · Paper 4 · 4× total

- For employees: 'improves skills, job security, promotion readiness' per staff-focused questions.
- Training methods referenced in papers: 'internship training' and 'vestibule training' appear in Paper 4 (training methods).
- How to answer: map each listed benefit to exact phrasing used in the question to score full marks.

Kaise Poochha Jaata Hai:

MCQ listing benefits, or 3/4-mark short answer 'State any three benefits of training to employees/organisation'.

Repeat Pattern:

Repeated multiple times across papers in both MCQ and short-answer formats.

Key Terms:

Training

Employee morale

Productivity

7. Organisational structure: Divisional structure advantages/disadvantages

High Conf.

High Priority

Appeared in: Paper 1 · Paper 2 · Paper 4 · 3× total

Question types: MCQ: 2-3 | Short: 1 | Case Study: 1

Kya Padhna Hai:

- Key advantages tested: 'promotes flexibility and initiative because each division functions as an autonomous unit' (Paper 2 option A).
- Typical disadvantage tested: 'leads to duplication of effort and loss of economies of scale' or 'minimal duplication' distractor — know opposite statements (Paper 1/2 options).
- When to use divisional: separate product lines/markets (commercial vs passenger vehicles example Paper 2).
- Understand difference vs functional/functional-structure drawbacks (coordination issues).

Kaise Poochha Jaata Hai:

MCQ: identify which statement is benefit or which is not advantage of divisional structure.

Repeat Pattern:

Divisional structure benefits appear repeatedly in MCQs across papers.

Key Terms:

Divisional structure

Autonomous unit

Duplication of effort

8. Organising process: steps mapping — identification & division of work, departmentalisation, assignment of duties, establishing authority

High Conf.

High Priority

Appeared in: Paper 1 · Paper 2 · Paper 3 · Paper 4 · 4× total
