Agar sirf yeh topics ache se taiyyar karoge — crisp definitions, 2–3 examples, and one structured long-answer outline for Decision Making/Personality/Motivation — tum 3–4 short 3-mark answers + 2–3 section-B answers + 1 long section-C answer confidently attempt kar paoge, jo total attemptable marks mein 40–50% deti hai. Focus: exact phrasing se match karte hue short definitions (75 words), 2–3 bullets per long-answer (steps/points), aur 1 clear example for each.
