Overall Exam Strategy

Paper pattern clear: focus on definitions + pointwise lists and a few procedure/compare essays. Bas Pass Hona Hai: study these exact granular topics — "Contract: 'Contract is an agreement enforceable at law' — formal definition and explanation", "Acceptance: definition, modes and revocation (including time-limit)", "Offer: meaning and modes of making an offer", "Void Contract: definition and reasons for being void", "Quasi-Contract: definition and salient features", "Contingent Contract: definition and enforcement rules", "Bailment: definition and essential elements of contract of bailment", "Limited Liability Partnership (LLP): definition, eligibility to be partner, relationship of partners". Ye 8 topic-names cover >40% of the actual questions because every paper repeatedly asks contract fundamentals (definition, offer, acceptance, void/quasi/contingent), bailment and LLP — collectively these let you answer multiple short and long questions in each paper. Study each selected topic with the exact bullet items listed under 'kya_padhna_hai' in respective topics (memorised definitions + 4-6 concrete points/examples). Phir practice 2-3 full long answers (15/22.5 mark style) on LLP, Contingent Contract, and Bailment — kyunki ye baar-baar long-format mein puchte hain. Time management tip: answer definition (2-3 lines) + 4-6 numbered points for lists, include one short example where asked, and for 15/22.5 mark questions expand each point with 1-2 sentence legal explanation.
