Overall Exam Strategy

Hinglish strategy: Bas Pass Hona Hai: padhne ke liye focus karo in exact granular topics — 'Definition of Organisational Behaviour', 'Scope of Organisational Behaviour (specific elements)', 'Leadership — definition and the word \'Leadership\'', 'Leadership styles (explicitly asked)', 'Personality — definition and determining factors', 'Johari Window (explicit model)', 'Types of Groups / Types of Groups Structures', 'Communication: functions — "provide information" phrasing'. Ye 8 topics milke papers ke bahut saare short and long questions cover kar denge (definitions + short notes + group/communication/leadership essays) — realistically 40-50% questions attempt karne layak. Baaki time me add karo: 'Decision Making: main elements', 'Delegation of Authority', 'Motivation: definition, nature and styles', 'Group decision making', 'Organisational Goals', 'Organisational Culture', 'McGregor's Theory X and Y' — in detailed topics se tum 60-70% confident answers de sakte ho. Tip: short-definitions ko crisp 1-3 line mein taiyar rakho (har paper me bahut aate hain), aur 4-5 essay templates banao jo leadership/personality/communication/decision-making/group-topics mein thoda modify karke use ho jaye.
