Kyun: in granular topics ko ache se cover karoge to tum 40-50% questions (case-subquestions, short definitions and 10-mark optionals) confidently attempt kar paoge — papers repeatedly ask definitions + one applied draft (letter/report/notice/minutes) + one case + presentation/GD question. Exam strategy: 1) Memorize 2-mark definitions for all repeated short items (business communication, paralanguage, email, teleconferencing, intranet). 2) Practice 2 full drafts (one persuasive letter for agency, one meeting notice+minutes or press release) — yeh dono types baar-baar aate hain. 3) Prepare 2 case templates: (a) staff communication barrier + solutions (Suraj-style), (b) nonverbal/interpersonal failure fixes (Michael-style). 4) Make 1-page cheat-sheets: communication process steps, barriers + specific solutions, presentation steps + AV checklist, GD traits/dos. Agar ye exact granular topics cover kar loge, to short questions + two long optionals +

case answer + one drafting Q — total bohot saare compulsory and high-probability parts cover ho jayenge, hitting 40-50% realistic.
