30. Parity between Authority and Responsibility (explain)

Overall Exam Strategy

Hinglish strategy: Short aur smart padhai karo — focus on repeatable, granular concepts jo baar-baar pooche gaye hain. Bas Pass Hona Hai: study these exact topic_name items fully — "Management: Definition & Importance", "Concept of Planning", "Management as Decision-making: Elements & Process", "Delegation of Authority: Definition, Necessity and Factors", "Maslow's Hierarchy of Needs (describe)", "Leadership Styles", "Organisation: Definition and Types/Forms of Organisation", "Communication: Characteristics of Good Communication". Ye topics milke realistically 40-50% se zyada questions cover kar denge. Strategy: 1) Har topic ke short definition + 3–5 supporting points rote karlo. 2) For long answers, practise one 15/22.5-mark answer each for planning, decision-making, delegation, organisation and communication. 3) For 3-mark short answers, write crisp 2–3 point answers (75 words). 4) Time allocation: 60% time on long Qs from above topics, 40% on short definitional items.
