Overall Exam Strategy

Bas Pass Hona Hai: Study these exact granular topics — 'Definition of Organisational Behaviour', 'Leadership — definition & styles', 'Leadership Styles (named styles)', 'Maslow's Need Hierarchy', 'Vroom's Expectancy Theory', 'Personality — definition and determinants', 'Types of Group Structures / Types of Groups', 'Barriers to Communication', 'Johari Window', 'Organisational Politics — reasons and measures', and 'Decision Making — main elements'. Yeh 11 topics cover at least 40-50% of visible questions because: papers repeatedly ask short defs (OB, leadership, personality, motivation) and a recurring set of 15-mark essays (Maslow, Vroom, decision-making, organisational politics, group types, communication barriers). Agar tum in 11 granular topics ko 100% ready rakho — with named items, short definitions, 2–3 linking sentences, and 1 example each — tum har paper ke Section-A aur Section-B ke majority questions aur Section-C ke kuch core essays (roughly 40-50% of questions) confidently attempt kar paoge. Extra tip: learn one tight 15-mark template for theory-

explain, one 15-mark template for compare-contrast, and three quick 7.5-mark bullet answers for Johari/Gr. dynamics/Barriers to finish the paper.
